

February 10, 2018

Dear Parents,

We are starting our Wax Museum Biography project this week. Your child will need to choose a person that has made a contribution to our wonderful state of **Michigan** to research. Please help your child to get more information on this person by making a visit to the local bookstore, by going to the local library, or by helping search the Internet for appropriate information. The students need to have the research that they have gathered, along with their completed note-taking paper with them on **Monday, February 27th 2018**. The students will be using the note-taking sheets to create a poster about the important person that they chose to research. We will do this part in class.

Monday, March 13th we will have a dress rehearsal at 2:00 in our classrooms. Students will need their costumes ready and speech memorized at this time.

On **March 14th**, Mrs. Kulik and Mrs. Robbins' third grade classes are inviting parents and family members to attend our Wax Museum from **6:00 P.M. to 6:45 P.M.** **During this time, the students will need to come dressed up as the person that they chose to research. They may also bring in props to help represent that person.** Each student will say a speech during the museum time to help teach others about the people that have made a contribution to Michigan. (Please let us know if you are unable to attend the nighttime performance. If you are unable to attend the nighttime performance, your child is still responsible for completing this project.)

Please contact us with any questions or concerns.

Sincerely,

Mrs. Robbins & Mrs. Kulik
